Basic Information

- Place of Origin: China
- Brand Name: KHD
- Model Number: 86-87-3
- Minimum Order Quantity: 1 kg
- Price: Please consult customer service
- Packaging Details: 1kg/bag, 25kg/drum
- Delivery Time: 2-5 days
- Payment Terms: T/T, Western Union, Bitcoin
- Supply Ability: 10000kg/Day

Product Specification

- Appearance: White Powder
- Product Color: White Powder
- Brand Name: Kaihuida
- Purity: $\geq 98\%$
- Specifications: 500g/bag, 1kg/bag, 25kg/Drum
- Formula: $C_{12}H_{10}O_2$
- EINECS: 201-705-8
- Shelf Life: 2 Years
- Highlight: **Naa Plant Extract Powder,
Naphthaleneacetic Acid Plant Extract Powder,
Naphthaleneacetic Acid CAS 86-87-3**

Product Description**98%Tc Plant Growth Regulator Naa Naphthaleneacetic Acid CAS 86-87-3****Product Details**

Product Name	Naphthaleneacetic acid NAA 98%
Specs	98%TC
Classification	Plant growth regulator/Auxin/Agrochemical
CAS NO.	86-87-3
EINECS	201-705-8
common name	1-naphthaleneacetic acid
Other names	Naphthylacetic acid; 1-Naphaleneacetic acid NAA; Naphthyl acetic acid; NAA Plant hormone;
Physical and Chemical Properties	Appearance: white powder Molecular formula: C ₁₂ H ₁₀ O ₂ Molecular weight: 186.2 M.P.: 134-135 Degree C(the original drug is 125-128 Degree C) Solubility: water solubility 420mg/L (20°C); organic solvent solubility (g/L.26°C) xylene 55; easily soluble in alcohol; soluble in eth er; alkali metal salts and ammonium salts are easily soluble in water.

Company Profile

Jiangsu Kaihuida New Material Technology CO.,Ltd has established mor than 12 years.
 Our main products:Pharmaceutical intermediates,Food additive,Flavor,Organic intermediate,Cosmetic materials,Chemical Raw materials,Daily chemicals,Dye intermediate,Disinfectant,and other products.

Packing And Delivery

Packing

Liquid, Iron Drum or Plastic Drum

Express

Payment

FAQ

Q1: May I get one sample before placing order?

Re: Yes, Sample are available. For normal products, samples are for free and you just need to bear the freight; For those high value products, you just need to freight and certain product cost. When we both cooperate for some times or when you are our VIP customer, free sample will be offered when you need.

Q2: Which payment is available for your company?

Re: T/T, WESTERN Union, Bitcoin etc. You can choose the one which is convenient for you.

Q3: How and when can I get my goods after payment?

Re: For small quantity products, they will be delivered to you by international courier(DHL, FedEx, TNT etc.) or by air. Usually it will cost 3-10days that you can get the goods after delivery. For large quantity products, shipping by sea is worthwhile. It will cost 15 to 30 days to come to your destination port, which depends on where the port is.

Q4: Is there any possible to use my appointed label or package?

Re: Yes. If needed, we'd like to use label or package according to your requirement.

Q5: How can you guarantee the goods you offer is qualified?

Re: We always believe honesty and responsibility are basis of one company, so whatever products we provide for you all are qualified. We will have goods tested and provide COA before delivery for sure.
