

API Raw Material Thymalin Peptide CAS 79621-14-0 Thymulin 1g/Bottle For Skin Firmness

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: KHD
- Model Number: 79621-14-0
- Minimum Order Quantity: 1g
- Price: Please consult customer service
- Packaging Details: 1kg/bag, 25kg/drum
- Delivery Time: 2-5 days
- Payment Terms: T/T, Western Union, Bitcoin
- Supply Ability: 10000kg/Day

Product Specification

- Color: White Powder
- Brand Name: Kaihuida
- Form: Powder
- Highlight: **CAS 79621-14-0 Thymalin Peptide ,
Skin Firmness Thymalin Peptide ,
1g/Bottle Thymalin Peptide**

Product Description**API Raw Material Thymalin Peptide CAS 79621-14-0 Thymulin 1g/Bottle For Skin Firmness****Product Details**

Product name	Thymalin
Appearance	White powder
Purity	99%
Storage	Keep in a cool, dry, dark location in a tightly sealed container or cylinder.
Shelf Life	24 Months

What is Thymalin?

Thymalin is a peptide that closely resembles thymulin, in the sense that it can be found in the thymus. It is believed to play the role of a bioregulator and cannot be encountered outside of the thymus. Its purpose is to aid in the process of regulating the thymus and help with the production of other thymus peptides. Thymalin represents a peptide constituted of 2 amino-peptide that encourage positive gene expression when it comes to the activity in the thymus. It introduces itself to a DNA sequence and "dilates" the positive areas of it.

Application&Function

Usage: process of hair growth utilizes many cellular and molecular mechanisms common to angiogenesis and wound healing. While studying the influence of thymosin beta-4 (Tβ4) on wound healing, Philp et al. accidentally found that hair grew more rapidly around the edges of wounds. In due course, they showed that Tβ4 induced rapid hair growth on the dorsal skin of healthy mice.
