Basic Information

- Place of Origin: China
- Brand Name: KHD
- Model Number: 161258-30-6
- Minimum Order Quantity: 5mg
- Price: Please consult customer service
- Packaging Details: 1kg/bag, 25kg/drum
- Delivery Time: 2-5 days
- Payment Terms: T/T, Western Union, Bitcoin
- Supply Ability: 10000kg/Day

Product Specification

- Color: White Powder
- Brand Name: Kaihuida
- Form: Powder
- Highlight: **Cosmetics Peptide Raw Material ,
99% Hexapeptide-11 Powder ,
CAS 161258-30-6 Hexapeptide-11 Powder**

Product Description**Cosmetics Peptide Raw Material CAS 161258-30-6 99% Hexapeptide-11 Powder for Skin Firming****Product Details**

Product name	Hexapeptide-11
Appearance	White powder
Purity	99%
Storage	Keep in a cool, dry, dark location in a tightly sealed container or cylinder.
Shelf Life	24 Months

Description

Hexapeptide-11 is a naturally occurring polypeptide, which can play a certain role in anti-aging and relieving skin wrinkles, including the dynamic wrinkles on the face and crow's feet around the eyes. It can also repair the pigmentation after inflammation, as well as the acne marks after acne, and has a certain whitening effect.

Application&Function

1. Anti aging: Hexapeptide-11 can increase the synthesis of type I collagen, type IV collagen, laminin and integrin, thus playing a certain anti-aging effect. It can also play a better role in relieving facial skin relaxation and wrinkle formation, making the skin look more compact and elastic;
2. Repair: Hexapeptide-11 can promote the differentiation and maturation of epidermal cells. Therefore, it can weaken and repair acne marks on the skin surface and pigmentation after inflammation;
3. Whitening: Hexapeptide-11 can improve the skin's water holding capacity, and can whiten and tender the skin to a certain extent.
